LAN Index

LAN Only - These links will only work when connected from the local network.

http://10.20.10.75:83 or http://nuc.zgp.us:83 - PiHole, again. Obviously, only the direct IP link works.

http://nuc.zgp.us:8181 - Tautulli for Plex analytics

https://nuc.zgp.us:8282/containers - Nextcloud container management

http://nuc.zgp.us:81 http://localhost:81 - Nginx Proxy Manager

http://10.20.10.61:10000 - Firebat01 Webmin

http://10.20.10.62:10000 - Firebat02 Webmin

https://10.20.10.61:9443 - Firebat01 Portainer

https://10.20.10.75:9443 - NUC Portainer

https://10.20.10.81:9443 - GameServer Portainer

http://10.20.10.75:81 - NPM

http://10.20.10.20 - File Server

http://10.20.10.20:3923/ - CopyParty

There's a lot more but I haven't set them up, yet.
